MEMORANDUM FOR: Director of Personnel
FROM: Director of Central Intelligence
SUBJECT: Agency Detailees

1. A good friend of mine who works in EOB happened to speak to me today about his secretary. He says she is on detail from the Agency.

2. At a time when we are scrutinizing our personnel allowance carefully with cuts on the one hand and failure to obtain approval of all of our requested increases in the FY 1979 budget on the other, I wonder how many "detailees" we can afford. Surely the National Security Council and other such organizations can afford to pay for their own people, even if they have to borrow individuals from us. Could you give me a rough accounting of the number of people we have detailed outside the Agency on a non-reimbursable basis.
